

# ISKO I-SKOOL® 2016/2017 RULES

---

## SPECIAL PROJECTS

## THE SWAROVSKI AWARD

### BRIEFING

#### ► CONTEST

The goal is to take 1 of the **Industry Driven Garments** created for the ISKO I-SKOOL® contest and adorn it with crystals from Swarovski.

You can choose from the whole Swarovski assortment a product which better fits the garment and the creative direction you are developing.

In case Students need to develop customized motives with hotfix stones they have to submit them as **dxg drawing (R11-R12)** on a **1:1 scale**.

Swarovski Creative and Design Department will confirm feasibility and support Students with suggestions on technical adjustments if needed.

#### ► DEADLINE

Sketches must be delivered during the Handover Project session.

#### ► SHORTLIST

Among all participants, Swarovski together with CREATIVE ROOM® will select 4 finalists whose garment will be produced.

#### ► AWARD & PRIZE

One project will be selected by Swarovski Denim Design Award Juror. The awarded Student will be offered a three-month full-time internship (date TBD: from September to December 2017) within the Swarovski Creative and Design Department in Milan.
